

Flambe

"No bread.
Then bring me some toast!"
- Punch, 1852

CONVEYOR TOASTER 2 SLICE

Anvil is one of South Africa's most recognized and widely accepted brands within the commercial food service equipment industry. Since the company's inception in 1966 and where it is now, Anvil has earned the catering industry's trust and respect in many markets. Our products are currently distributed worldwide in over 30 countries thanks to our cutting-edge manufacturing processes and sophisticated in-house engineering team.
