ROASTING PAN

Whether you'll be serving large dinners for your customers, family and friends or roasting meat for a summer barbecue, a good roasting pan is a valuable investment. Pujadas roasting pan is made from reinforced multi-coat non-stick (QuanTanium®) aluminium for maximum strength and durability to ensure professional quality.

FEATURES

- Made from aluminium for maximum strength and durability
- Professional-quality, heavy-gauge aluminium provides fast, even heating and superior cooking performance while limiting hot spots
- Stainless steel handles
- QuanTanium® is an internally reinforced multi-coat non-stick coating system
