STAINLESS STEEL JUNIOR BILTONG CABINET

Our Butcherquip biltong cabinets always deliver the taste and tradition of South African biltong. Our cabinets are made of stainless steel and are equipped with an efficient extraction fan that always delivers uniform drying throughout the cabinet. The built in heater only works if the fan is on/operational; our unit can cure up to 25kg of meat at a time. This unit is compact and advanced in features, making it very ideal for both commercial and domestic biltong enthusiasts.

FEATURES

- Well suited to small volume operations, hunters, home industries and biltong enthusiasts
- All stainless steel construction
- Adjustable temperature control
- Heater cannot be switched on without the fan being in operation
- Efficient extraction fan for maximum air changes and uniform drying throughout the cabinet
- Unit can cure 25kg of wet product at a time
- New stiffer door with improved seal
- Internal hanging brackets for improved flexibility

INCLUDES:

- 10 x Galvanised hanging rods
- 1 x Stainless steel drip tray

25KG OUTPUT PER CYCLE

FULL STAINLESS STEEL BODY

EFFICIENT EXTRACTION FAN FOR UNIFORM DRYING WITHIN CABINET
