## NEW BRAND : DUDSON FINCA - SANDSTONE

### DESIGN INNOVATION

Renowned craft potters, the prestigious Dudson brand carries a rich heritage dating back to 1800. Recognised worldwide for industrial toughness, the Dudson portfolio features inspirational and authentic designs that are engineered to last in a professional environment. The creative Finca design is available in an earthy Sandstone colour and fresh Limestone blue, the perfect rustic range for all styles of casual dining.

### FEATURES

- Finca is a multi-tonal print that mimics the worn textures of rustic interiors and architectural designs.
- Crafted and creative, Finca is finished in a semi-matte, hand dipped glaze, enhancing the character of the collection and leaving original 'makers marks' on the reverse of each piece.
- **Durability** - All Dudson ceramics have a fully vitrified body which creates a 'closed' structure. The result of this is a very strong and durable product.
- **Fully Glazed Base** - Pin firing process. Fully glazed foot prevents scratching when product is stacked.
