RADIANT GRILLER

NEW

FGR1200 - RADIANT GRILLER 1200mm

FEATURES

1. Purpose-built Design

Engineered to meet the demanding needs of busy kitchens in popular chain stores, franchises, and high-end restaurants.

2. Durable and Efficient

Equipped with heavy-duty LPGSA approved ball valves for reliable and durable control. Constructed with a solid stainless steel stand and a bottom shelf for additional storage.

3. Convenience and Functionality

Rear castors facilitate easy movement for cleaning.

Features hard-wearing, long-lasting cast iron grates and radiants for effective heat retention and grilling efficiency.

4. Superior Performance

Includes powerful 14,000 BTU burners for consistent and effective heat distribution.
