RIO BLENDER - 1.4LT CO-POLYESTER JUG

THE WAVE~ACTION® SYSTEM IN OUR RIO® BLENDER WILL DELIVER A SMOOTHER MARGARITA. TWO SPEEDS PLUS PULSE PROVIDE GREATER VERSATILITY.

POWER

1.6 peak HP

With a motor designed to power through fresh and frozen ingredients to create smooth drinks.

TECHNOLOGY

Wave~Action® system jar

Each jar features the Wave~Action® system, which continually forces the mixtures down in the blades for ultra-smooth results.

OPTIMIZED PERFORMANCE

High-performance blade

Durable S/Steel design quickly cuts through ice and other ingredients. A quarter-turn nut makes servicing the blade simple, extending the life of your jar.

SAFETY

Lid open and jar pad sensor

Prevents blending if jar or lid is not on correctly for an added layer of safety for the operator.

DURABILITY

Sealed switches with simple controls

Featuring high, low and pulse controls for easy operation, the Rio® includes sealed switches that protect against moisture ingress and a protective brow to direct drips away from the controls.

EFFICIENCY

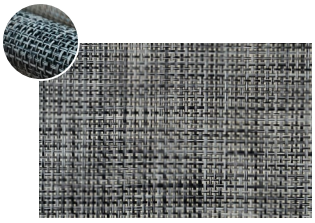

Durable metal drive coupling

Delivers ample power and torque to the blade. Unit also features a removable jar pad for easy cleaning.

LUCARIS
Crystal of Modern Asia

PRODUCT HIGHLIGHT

The collection combines striking angular shapes with exceptional functionality. Produced from ultra-clear lead-free crystal, Muse offers brilliant clarity and elegance for luxury wine service. Each glass features a pulled stem crafted from a single gob of glass, creating a seamless, refined finish with enhanced strength and sophistication.

FOOD GRADE

Lead-free crystal
A modern premium glass material that offers the brilliance and elegance of traditional crystal without the use of lead oxide. Instead, it is made using alternative minerals, which provide exceptional clarity, strength, and a beautiful light-reflecting sparkle. Lead-Free crystal is also dishwasher safe.

HANDLING

Longer stem
A longer stem combines style with functionality, helping maintain the wine's optimal temperature while elevating both the presentation and overall tasting experience.

NELSON MANDELA DAY (JHB)

Giving Back to Our Community During Mandela Month

As part of BCE's commitment to making a positive impact beyond the workplace, BCE Johannesburg proudly donated food, essential supplies, and warm clothing to Kingdom Care Ministries, a community organisation dedicated to supporting vulnerable individuals and families.

The donation was made to provide much-needed assistance to those facing difficult circumstances, helping ensure they have access to basic necessities and ongoing support. Community organisations like Kingdom Care Ministries play a vital role by providing shelter, care, skills development, counselling, and other essential services that help individuals rebuild their lives and regain their independence.

The gratitude expressed by the organisation's staff and beneficiaries was truly heartwarming and served as a powerful reminder of the difference we can make when we come together to support our communities.

We are incredibly proud of our team's generosity and compassion in giving their lunch hour to support this initiative. Their efforts reflect BCE's core values of caring, collaboration, and social responsibility.

NELSON MANDELA DAY (CPT)

BCE CPT Gives Back to the Community During Mandela Month

BCE CPT was proud to make a bulk donation of food and essential pantry items to the Somerset West Family Shelter as part of our ongoing commitment to supporting our local community.

Founded in 1988, the shelter initially provided support to single adults experiencing homelessness. In 2020, it expanded its services to include homeless families with children and is now the only organisation of its kind in the Western Cape. The shelter offers a wide range of vital services, including skills development, rehabilitation, counselling, employment and education support, social services, baby and toddler day care, accommodation, and health and wellness programmes.

The shelter currently provides care and support to 28 families and 64 single adults, making a meaningful difference in the lives of those who need it most.

Our team was deeply touched by the heartfelt appreciation shown by the staff and residents. Knowing that our contribution will help support their important work is incredibly rewarding. We wish the Somerset West Family Shelter continued success as it continues to provide hope, care, and opportunity to those in need.
